

I've been learning....

Krista: WWI, Aboriginal Veterans, Reading Absolute Diary of a Part time Indian, work safety and mental health. Earth Science and Physics.

Anastasia: The WWI and novel discussions, career research, physics of motion, and writing paragraphs.

Jordan: Physics of motion (trades & science), positive and negative slope. Careers learning about ADHD and depression. Socials about the great depression and on how the stock market crashed.

Chris: Careers how to make a resume for when I want to start work.

Hunter: About how government has treated First Nations people and the veterans.

It is important because....

Krista: It is important to learn why the world is how it is today. We need to improve our ability to discuss topics. We need to be safe at work and take care of ourselves. To know how to calculate motion and read graphs.

Anastasia: The WWI is important because learning about the tragedies of the war. Physics is important because I can now read and interpret graphs accurately.

Jordan: So, we can write proper sentences and be understood

Chris: For when I am an adult it will help me in life.

Hunter: It effected many people and so it doesn't happen again. So we can improve how we treat people.

I've been doing well at...

Krista: Attending regularly and doing my best

Anastasia: Making sure I have done my best on assignments before handing them in and getting started on my assignment right away.

Jordan: Physics graphing, problem solving, equations such as $V=D/T$, and Careers class.

Chris: Careers I have an A. When I fell behind I made sure I caught up right away.

Hunter: Building my professional profile.

My goal(s) for the rest of the term are...

Krista: Use my class time wisely and handing my work in.

Anastasia: To use my class time wisely and attend regularly and come to the class on time and improve my listening to the teacher better.

Jordan: Trying to get a better mark and working hard.

Chris: To come to class every day and use my time wisely so I can improve my mark in group participation.

Hunter: To attend class regularly, getting my work done, and handing it in.

Parent/Guardian Section:
