

I've been learning....

Carson: About WWI for Social Studies, poetry for English, and physics of motion for Science.

Daniel: About Aboriginal Veterans.

Marques: About 20th century and all the history that happened during the 20th century.

It is important because....

Carson: We are learning about the first world war and how it started. How to write poetry and learn about motion.

Daniel: They also sacrificed their lives and some of them are my ancestors.

Marques: We need to learn about the mistakes made back then so we don't repeat history.

I've been doing well at...

Carson: English 10 and Science 10, mainly poetry and physics because I find these subjects interesting and fun.

Daniel: Science and Careers.

Marques: Coming to school on time and not being late so I won't miss too much work.

My goal(s) for the rest of the term are...

Carson: Being more organized with my work and finishing my work on time.

Daniel: Better grades

Marques: To use my class time wisely and not mess around while working.

Parent/Guardian Section:

I've notice _____ is working well for my son/daughter.

Daniel's guardian: routine

I wish _____ for my son/daughter

Daniel's guardian: happiness
